

HOPE OF GLORY A "PEOPLE TO PEOPLE" MINISTRY

Our main mission is to win people to Jesus Christ!

Our ministry was founded by Peggy Cummings in 2005 with the goal of training Facilitators to set up 'House Churches' and carry the Good News throughout the provinces.

At that time, Peggy began her four week 'House Church' training sessions. She trains 4 people at a time; living together with them and teaching life skills, oneness with Christ, how to facilitate House Churches and to be totally led by the Holy Spirit. Now there are Centers in most of the Provinces of Sierra Leone where Leaders are following their experience from this training and multiplication is occurring with Hundreds using this example.

TRAINING & MINISTRY

Spreading the Good News is the first step, but we must follow that with teaching and training in many different areas. We endeavor to minister to the 'whole' man; spirit, soul and body.

- ▶ **Joshua Nation Bible Training**
- ▶ **Kingdom Builders**

HOPE OF GLORY MINISTRY INTERNATIONAL

What We Believe

- * We believe the Bible is the inspired word of the living GOD.
- * We believe there is only one true GOD revealed to us in the trinity of the Father, Son and Holy Spirit undivided in essence and co-equal in power and glory.
- * We believe that all men are born sinners and are separated from GOD because of sin.
- * We believe that salvation for sinful men comes through the work of JESUS CHRIST, GOD's son.
- * We believe faith in JESUS CHRIST is the basis for all cancellation of sin and gives eternal salvation.
- * We believe that in the person of JESUS CHRIST, both divine and human natures are united so that He is truly and properly GOD and true and properly man. He is the only mediator between GOD and human kind and his sacrifice at Calvary made atonement available for all who believe in Him as their Savior.
- * We believe that all Christians should constantly pursue a sanctified life and also seek the continued fullness of the HOLY SPIRIT.
- * We believe that all Christians are called through the great commission to do the work of CHRIST here upon the earth.
- * We believe we have been equipped by the HOLY SPIRIT with a full range of spiritual gifts to accomplish this task.
- * We believe we should endeavor to submit every part of our lives to the lordship of JESUS

Areas of most need

First Pray for us, seek the Lords guidance in how you can participate with this great vision the Lord has put before us. The growth is bigger than 'us', but not God. We need partners from every arena.

In 2012 the Government leased 4 acres of land to us. We have several buildings that need to be built and are in need of skilled laborers, builders, etc. We need people to help with business, agriculture, nutrition, animal husbandry, construction, children ministry, and of course The Gospel of JESUS CHRIST.

While only a few are able to travel to our Mission, we have a great need of funding for equipment, supplies, tools and day to day operation. We encourage each of you to prayerfully consider providing financial support and sponsorship.

Our goal is for the ministry to become self-supportive and indigenous. With Gods blessing and a good jump start, this will happen.

The "HOPE OF GLORY" Story

Unlike most main stream mission organizations, "HOPE OF GLORY MINISTRY INTERNATIONAL" was not established by a sponsoring church or denomination. It is manned by trained missionaries & support people. "HOPE OF GLORY MINISTRY INTERNATIONAL" was founded by Peggy Cummings, a Grandmother from Colorado. While performing her duties for "Mercy Ships" in Freetown, Sierra Leone, in 2001, saw a need to change the lives of former child soldiers and internally displaced people living in the Freetown cemetery. She began sharing the Gospel with them. This group later became known as "The Glory Boys". After several return visits and much prayer she made the decision to leave Mercy Ships and continue this work. In 2005, armed only with an infinite trust in GOD and a strong desire to serve him, she flew to Freetown and founded "HOPE OF GLORY MINISTRY INTERNATIONAL" which is a registered 501c3 non-profit in the State of Colorado.

She rents a house in a small village called Orugu, a southern suburb of Freetown, the capital of Sierra Leone. An African family lives with her, assisting in the logistics of the ministry and training to carry on the work until Jesus comes. They run a Facilitator Training School where GOD-selected students come and live together with them for four weeks, sitting at the feet of Jesus, learning to abide in Him and be led by the Holy Spirit. Mon.-Fri. they attend six hours of lectures daily, attend Joshua Nations Bible School on Sat, and visit various churches as a family on Sundays. In the evenings, they go to various villages to observe and practice what they have been learning. They have trained hundreds to open new training centers, teach, conduct House Churches and generally LOVE people into the

Kingdom of God. Soon we will have a Center in each of the 14 Provinces of Sierra Leone.

A Testimony to Gods grace and protection in our ministry

A while back Kongofoe in Kailahun, the leader of one of our House Churches, had the courage to have church after the secret society people threatened everyone to stay inside that was not participating in their demonic ceremonies. All the churches closed down except Kongofoe's church. We got a call that the secret society took him to the bush to use (unfavorably) in their ceremonies. We later were called and told they **tried** to take him but **could not**. GOD is answering prayers as usual! Kongofoe was just fine and teaching class every day. What a courageous man. Stories have it that most people taken by the secret societies are never seen again and that is why the other churches closed, out of fear. Kongofoe is living in the power of the HOLY SPIRIT; no longer he that lives but Christ that lives in him.
